1 WHEREAS, the 2010 and 2012 NSNA Resolutions “In support of increasing culturally competent education about lesbian, gay, bisexual, transgender (LGBT) Individuals” and “In support of implementing practices in The Joint Commission Report ‘Advancing effective communication, cultural competence, and patient and family centered care for the LGBT community: A field guide’” laid the groundwork for advancing the acceptance, tolerance, and support for LGBTQIA nurses; and

2 WHEREAS, fifty-six percent of lesbian, gay, and bisexual adults and seventy percent of transgender adults have experienced discrimination in the healthcare setting; and

3 WHEREAS, lesbian, gay, bisexual, and transgender nurses have documented fears of social exclusion in the workplace as well as neglect, harassment, and discomfort related to the sexual prejudices of their coworkers and employers; and

4 WHEREAS, The Joint Commission has identified gay, lesbian, bisexual, and transgender healthcare employees as a group with unique needs and requiring protection from discrimination and exclusion; and

5 WHEREAS, Healthy People 2020 has prioritized the improvement of health and well-being of LGBT persons as well as create workplaces that are safe and without discrimination; and

6 WHEREAS, LGBTQIA nurses have expressed both a need for and an interest in a professional group focused on LGBTQIA issues and advocacy as well as professional education for their peers serving LGBTQIA patients; and

7 WHEREAS, LGBTQIA nurses constitute one of the largest subgroups in the nursing profession, yet receive little attention or recognition of the discrimination and exclusion faced in the workplace; and

8 WHEREAS, the Code of Ethics of the American Nurses Association calls upon all nurses to utilize the resources of a professional association to create social change; and

9 WHEREAS, a professional organization exclusively designed to meet the needs of LBGTQIA nurses does not exist; therefore be it

10 RESOLVED, that the National Student Nurses’ Association (NSNA) advocate for the creation of a

11 LGBTQIA professional issues panel within the American Nurses Association Professional
Issues Panels so that the specific needs of LGBTQIA nurses can be studied and better understood; and be it further

RESOLVED, that the NSNA encourage its constituents to develop LGBTQIA student task forces to explore the professional development needs of LGBTQIA nurses; and be it further

RESOLVED, that the NSNA publish an article on the needs of LGBTQIA nurses in Imprint, if feasible; and be it further

RESOLVED, that the NSNA send a copy of this resolution to the American Nurses Association, the American Medical Association, the Gay and Lesbian Medical Association, the National League for Nursing, the National Organization for Associate Degree Nursing, the Student National Medical Association, the American Association of Colleges of Nursing, the American Academy of Nursing, the Organization for Associate Degree Nursing, the American Psychiatric Nurses Association, the American Public Health Association, the Association of Nurses in AIDS Care, the Human Rights Campaign, Lambda Legal, and all others deemed appropriate by the NSNA Board of Directors.
